

Client Education as Marketing

an online resource
created to accompany

Pre- and Perinatal Massage Therapy:

*A Comprehensive Guide to Prenatal, Labor
and Postpartum Practice*
(Third Edition)

Carole Osborne

Michele Kolakowski

David M Lobenstine

(Handspring Publishing Ltd. 2021)

this resource links to:

Chapter 8, page 271

Client Education as Marketing

Visit these sites for examples of how highly trained pre- and perinatal massage therapists educate their clients and potential clients. We believe that sharing our knowledge with the public is both a part of our responsibility as therapists, and can also be a highly effective form of marketing. These therapists are also role models of successful, ethical therapist.

(Note that some of these therapists also are available as practice consultants and supervisors, if you are interested.)
